

# Brutal Facts of RtI Implementation

---

1. No one is coming with money, so stop waiting
2. No one is going to do it for you
3. It's not going away
4. We are already late
5. It's hard to implement and it's an evolving process

John E. McCook, Ed.D

# Brutal Facts of RtI Implementation

---

6. If we do it right, it works for children!
7. Data is the basis
8. DNA is not changing
9. Get over it!
10. The enemy is within you, prepare for the enemy!

John E. McCook, Ed.D
